

FOR IMMEDIATE RELEASE

## **RLM Salutes CFDA 2014 Fashion Awards Winners and Nominees**

*Apparel business solutions provider RLM congratulates the winners and nominees on their industry leadership and creativity, including four clients that use its FashionManager™ enterprise solution to manage their concept-to-consumer operations.*

Lyndhurst, NJ -- June 10, 2014 -- **RLM Apparel Software Systems Inc.**, solutions provider to the fashion industry's biggest and brightest brands, congratulates this year's **CFDA Fashion Awards** winners and nominees. In collaboration with Swarovski, the Council of Fashion Designers of America paid tribute to the winners and nominees at its gala celebration on June 2 at the Lincoln Center.

RLM especially acknowledges **Ashley Olsen & Mary-Kate Olsen for The Row** on being named Accessories Designer of the Year; and **Shane Gabier and Christopher Peters for Creatures of the Wind** as the Swarovski Award for Womenswear which honors and recognizes emerging talent.

RLM client **Alexander Wang** was nominated in both the Womenswear and Accessories Designer of the Year categories, while **Todd Snyder** was among the nominees for the Swarovski Award for Menswear.

"We congratulate all the nominees and CFDA Fashion Award recipients", said RLM Partner **Andy Lynn**. "All of these exceptionally talented and creative individuals are true industry leaders that are greatly influencing design in America. We are especially pleased to acknowledge those individuals and companies that we have the pleasure to serve throughout the year."

### **About the CFDA Fashion Awards**

The annual event recognizes the outstanding contributions made to American fashion by individuals from all areas of the industry and related arts, with awards being given for design excellence in womenswear, menswear, and accessories as well as extraordinary accomplishments in journalism, creative vision, and lifetime achievement. Nominations for each award category are submitted by The CFDA Fashion Awards Guild, an invitation only network comprised of top fashion retailers, journalists, stylists, influencers and the 450+ member designers of the CFDA. Complete information on CFDA honorees, nominees, and the Fashion Awards event is available at: <http://www.cfda.com>.

### **About RLM Apparel Software Systems**

RLM Apparel Software is a leading provider of modular, end-to-end business software solutions designed specifically to address the needs of global fashion retailers, brands, and manufacturers. Over its 30 year history, RLM has enabled many of the largest and most innovative apparel, footwear, accessories and related companies to reach their full potential by accelerating performance, increasing efficiency, reducing costs, and streamlining business processes across the entire concept-to-consumer product lifecycle.

RLM's category-spanning enterprise software solutions comprise capabilities typically found separately in enterprise resource planning (ERP), product lifecycle management (PLM), supply chain management (SCM), warehouse management systems (WMS), salesforce automation (SFA), and e-commerce systems (B2B/B2C). RLM solutions are available in either a traditional on premise deployment or as a hosted cloud subscription model.

RLM clients include Alexander Wang, Blowfish Malibu, Donna Karan, Halston, John Varvatos, Jordache Enterprises, Magaschoni, Michael Kors, The Row, Tory Burch, US Polo Association, and other leading apparel, footwear, and accessories companies. For more information, visit <http://www.ronlynn.com>.
